The New Year Hits the Ground Running!

Hulland Village Improvements

Road Safety improvements are to go ahead for Hulland Hollow, an unsafe junction, according to Dermot Murphy, DCC Councillor. This will include new signage and improved road markings advising drivers to adjust their speed. All that's needed is for the weather to improve before DCC will carry out the work!

Hulland Village resident, Tim Sadler.*

The Pork Pie Award

A Group of five residents from Hulland Ward and Hulland Village have taken it upon themselves to find the "Best Pork Pie in the Land". Each one searched the area for the best Pork Pie they could find. These five Pork Pies originated from a wide area including several counties. The five then met for an evening of Pork Pie tasting, judging, etc.

There were several categories including - Look - Taste of the Crust Pastry -Taste of The Meat - etc. Each Pie was coded so no-one knew which was their Pie. Tasting and judging then took place with marks out of 10 for each category.

DON'T FORGET TO TURN THE CLOCKS FORWARD ONE HOUR ON THE NIGHT OF SATURDAY, 30TH MARCH!

2023 Poppy Appeal

Many thanks to everyone who donated to last year's Poppy Appeal. A total £164.82 was raised at the Hulland General Stores.

We are part of a district and the total raised was £4,093.22.

"Without your help, we would be unable to continue our vital welfare and benevolent work".

Royal British Legion

The Home-Made Pork Pie from the **FARM SHOP HULLAND** was the winner. Wow! So, if you want prize winning lovely, tasty Pork Pies they are here to buy in Hulland Ward. Amazing!

One of the 5, Tim Sadler, does advise that the Farm Shop generally sells small Pork Pies, so if you want a large one you need to order from the Shop and enjoy!

Regular Activities at Millennium Village Hall

Local Groups use the Hall every week for activities, as follows:-

Mondays:

Art & Craft Group (afternoons 2nd & 4th)

An opportunity to ply for art or craft whether painting, knitting, cross-stitch, weaving, crocheting, etc., and to learn a new skill. Tutorials and workshops held.

Tuesdays:

Pilates (morning); Pilates (afternoon)

A great way to exercise with benefits said to help to improve muscle endurance and flexibility, reduce chronic pain and lessen anxiety and depression.

Hatha Yoga & Mobility (evening)

Recommended for anyone needing help to improve the range of motion in their joints.

Wednesdays:

Hulland Hippos Baby & Toddler Group (morning)

See page 17 for more details.

Indoor Bowls (afternoon)

A lovely way to spend an afternoon on the 'greens' - especially when it is wet outside! A game for all ages and all abilities.

Thursdays:

Age UK/Over 50s Club (all day)

Weekly occasion to socialise with activities and outings. Refreshments and Lunch included. Access to the multitude of services offered by AgeUK. Worth your while checking out if aged over 50!

Fridays:

Yoga (morning)

Whether young or old, overweight or fit, yoga has the power to calm the mind and strengthen the body. A gentle way to end the week and ease into the weekend.

New members are welcome at all the above. If interested, please go along to any session to find out more.

A warm welcome is guaranteed.

Details of times are on Page 10.

Yoga At The Millennium Village Hall

Anne Thorne ran the Friday morning Yoga Sessions for many years has taken a break but the good news is that Heather Andrzejewski has agreed to take on the Sessions which will continue to be held on Fridays from 10am to 12noon.

Heather's first Session is on Friday, 2nd February and you are welcome to go along and join in.

Feeling Arty?

The Art & Craft Group which meets twice a month on Monday afternoons will be holding a Workshop with Derbyshire artist Sue Prince.

If you are interested, follow the Group's facebook page (*see below*) to find out when this will take place and how to book.

No need to take anything as the fee includes all items provided by Sue and jolly good refreshments are promised!

Message from the Interim Chairman

The Millennium Village Hall exists to serve the local Community through events such as:-

- Weddings, Christenings, Children's Parties,
- Milestone Celebrations, Anniversaries,
- Wakes, Classes for Fitness, Creativity,
- Sports, Social gatherings, Local Clubs.

The Millennium Village Hall Advisory Committee manages the day-to-day operations of the Hall. This involves ensuring it is well-maintained for events.

Committee Members are able to carry out most tasks but the Hall has a number of local specialists to call upon for electrical, plumbing, gas and fire checks, decorating and, of course, most importantt the cleaning of the Hall!

As with all Committees, membership changes over time so new members are always welcomed. The Committee meets early evening, every second Thursday of the month, except August, for an hour or so.

The Millennium Village Hall is now in its twenty-fourth year and has hosted many events during that time. We would like to hope it will be around for at least another twenty-four (in its previous incarnation - 'The Institute' located in Hulland Ward - it lasted a hundred years!). So, if you feel interested in finding out more about what is involved in helping to run the Hall, please call Bill on 370257.

Bill Whitbread, Interim Chairman

Maintenance Up-Date

The Hall was closed during the first week of January so the main hall and foyer floors could be sanded and resealed.

Danny of Floorcare Services has done an excellent job and the floor should last another six to eight years with due care taken.

After that, it will be a completely new floor which means a lot of expense so we are saving our pennies!

The aroma of the sealant is still in the air but is fading with each day. The floor actually makes the main hall look bigger!

The Main Hall as it now looks...

The recent high-winds wrought no more event than the top of the water butt taking a trip across the grass! We hope you were similarly fortunate.

The Entrance Foyer as it now looks...

Curate's Chatter

It will seem like an age ago now, but hopefully you will have seen some of the lovely knitted and crocheted angels and stars that were given out by the Church at Christmas.

The crafters were busy preparing in the run-up to Christmas, so we started a Craft and Chat group where people could come and do whatever craft they wanted, in the company of others, with refreshments provided.

It was lovely to sit and chat with others over a cuppa, I am now also learning to knit (my attempt at crochet did not go so well).

The group is having a break at the moment, but we are planning to resume after Easter, with a view to making blankets and other items for various charities.

So please do look out for new posters around the Village and on social media for when the Craft and Chat group will resume. If you already do a craft, please do bring it along and join in the fun, if you don't have a clue where to start (like me) then come along to learn from others.

Another social event we run are the Lent Lunches. During Lent, the 6-week period leading up to Easter, we hold Lent Lunches at Atlow Village Hall.

Last year each Parish from the Benefice hosted a different week, with Rev. Phil and I doing the first week. Each week there is choice of 3 to 4 home-made soups, with bread and rolls.

There is no charge for the Lunch, but all donations go to local or international charities. Previous years' donations have been for: Treetops Hospice, Ashbourne Foodbank, and the Disasters Emergency Appeal (D.E.C), to name a few.

Anyone from the Benefice is welcome, so please do look out for adverts for the event. Also, if you are a soup-erb soup maker and would like to get involved, please do contact me on...

Messy Church: Update

The next Messy Church is on Saturday, 9th March, 3.30 – 5.30pm at the Village Hall. As it is the day before Mothering Sunday we will be celebrating Mothers – Amazing Mums. So, bring your Mum! It will be good fun. New families welcome.

Why not put it on your calendar along with these other dates for 2024 - 11th May, 13th July, 14th September, 9th November.

Children enjoying Messy Christingles (below)

website: www.hullandchurches.org.uk

A Round-Up of the Last Three Months

Another very successful quiz evening took place on 10th November at the Black Horse and was well attended.

Thanks to Graham and Brenda Lee for organising it.

The United Benefice Remembrance Day Service was held at Kniveton Church on 12th November.

Of course, December was busy with special Advent and Christmas events, starting with the Christmas Fair on 2nd December and followed by the School Carol Service, the Church Carol Service, the Crib Service and Christmas Day Communion.

Sadly our Christingle and Toy Service on 3rd December had to be cancelled because of the snow. However, we still managed to collect several bags of toys for the Salvation Army Christmas Appeal.

On 20th December we sang Carols outside around Hulland Village and Hulland Ward, ending up at the Black Horse.

Services of Wholeness and Healing

These Services are held on the third Sunday of each month. They are an opportunity to receive prayer in private for either yourself, or someone else including an option to be anointed with Holy oil, if desired.

The venues rotate around our five parishes and the forthcoming dates are:-

Sunday, 18th February at 3.00pm at Bradley Church

Sunday, 17th March at 3.00pm at Hulland Church

Sunday, 21st April at 6.30pm at Atlow Church

Hulland Churchyard Champions

We have a group of volunteers from the Community and the Church who have been helping with seasonal tasks in the churchyard on the 2nd Saturday morning of each month.

After our Winter break we will resume on Saturdays 10th February, 9th March, 13th April.

We meet at 10 o'clock and finish by midday with a coffee and cake break in the middle. New volunteers welcome.

Christ Church Services

1st Sunday in the month	Morning Prayer	10.30am
2nd Sunday in the month	Holy Communion	10.30am
3rd Sunday in the month	No service – join with another Parish Service of Wholeness and Healing (see details opposite)	
4th Sunday in the month	Holy Communion	10.30am
When there is a 5th Sunday in the month, we join with the other four parishes in the benefice (Atlow, Bradley, Hognaston and Kniveton) for a United Holy Communion at 10.30am. Please go to our website for further details. Any late changes to Service times (e.g. winter cancellation) will be posted on the Church website and Village Notice Boards.

Hulland Ward Parish Council News

Village Hall Car Park Extension

Due to delays in funding, Planning Application 20/00765/FUL has lapsed and a new Application has had to be submitted. For a number of reasons, construction costs in the intervening 3 years have doubled, creating real problems in finding the additional funding to finance the project.

However, a review is taking place by the Parish Council and it is hoped a new plan will be in place by early Summer, allowing the project to commence late Autumn 2024. *Parish Council*

MVAS and Average Speed Cameras

As most Villagers know, the 2 MVAS cameras (Mobile Activated Vehicle Signs) collect and record vehicle speed data along the Main Road.

During 2023 the number of vehicles 'clocked' by the MVAS systems was just over 1,817,000 cars, vans and lorries. Of these, the number exceeding 35mph (the speed above which police prosecute speeding drivers) is 135,991 vehicles. Had these speeding drivers been caught by the police and fined the statutory £100, then the Derbyshire Constabulary would have raised nearly £13,600,000.

The Parish Council is aware that the fitting of an Average Speed Camera system through our Village would eliminate the problem 'over night' and we are pursuing this request through County and the Derbyshire Constabulary.

It is wrong that 135,991 drivers are allowed to disregard the Law through our Village every year, when there is an effective remedy available.

Cllr Karl Dean

Hand-Held Speed Cameras

2 Teams have now been established to undertake speed checks with Hand Held Cameras at each end of the Village.

The ongoing target of 2 speed checks a month, together with the official Police Speed checks, is gradually producing a deterrent for speeding drivers.

If you are interested in being part of a Team please contact the Parish Clerk - or speak to any member of the Parish Council. *Cllr David Balls*

Neighbourhood Watch

Neighbourhood Watch (Hulland Ward) now has over **70 members**, who are notified of any local incidents and who then pass this on to the rest of our community.

With Neighbourhood Watch stickers and signs distributed around the villages, we would be delighted to welcome more residents into our Neighbourhood Watch community.

Cllr Maureen Atkin

Snow Warden

The Parish Council has appointed Darren Cartwright as Snow Warden with the brief to keep the grit bins topped up, and to clear 'arterial roads' (no cul-de-sacs) on the estate in the event of heavy snow. We hope these measures will cope with our rather unpredictable weather patterns, which seem to be the norm these days.

Parish Council

Village Christmas Tree

The Village Christmas Tree together with the small 'solar' Christmas trees, mounted on selected lamp posts along the Main Road, again lit up our Village over the festive season.

Thanks to Ann Cowley (Cross o' th' Hands) who supplied the tree, to Tim Redfern and Darren Cartwright who helped to deliver and erect the tree and to Sue Summers who provided us with free electricity for the tree lights. Thanks also to John Scott who did all the 'wiring up' and the small group of Parish Councillors who 'setup the lights' - all working at temperatures below -3 degrees centigrade! An interesting experience...

Daffodils ... Rising!!

Another Christmas and New Year has come and gone, so that can only mean one thing - time to look out for the green shoots of the Village daffodils. Hulland Ward without daffodils is impossible to envisage - but remember it was only 11 years ago that local Residents decided to plant a multitude of bulbs (nearly four thousand), supplied by your Parish Council, all along the Main Road, the Playing Field, and parts of Dog and Moss Lanes.

Last year's display was excellent - let us hope this year will be just as good !

Housing Developments

21/00644/FUL Land at Eaton Farmhouse, HW

This small development of 3 mixed properties is now nearing completion, with just the entrance road to be finished and the verge along the Main Road to be repaired. All work should be completed by end March 2024.

23/00435/FUL Land off Biggin View, Biggin

This application, for a further 16 houses, following rejection by both Parish Council and District Council, has been **allowed under appeal**, which means this development can legally progress. The Parish Council understand groundwork could commence late Spring - with all construction traffic using the temporary access adjacent to the Dog Lane /Main Road junction.

19/00159/REM Wheeldon Way, Biggin was approved by Derbyshire Dales Planning Committee on 10th September 2020. Groundwork is now well advanced for the 39 mixed properties with a number already sold (off plan) according to the website: www.guildhomes.co.uk. Progress will continue to be monitored by the local Residents Committee and the Parish Council until the new site is completed.

Cllr Peter Birkbeck

Details are shown on the Derbyshire Dales District Council Planning Portal and also on the Hulland Ward Parish Council Website.

Your Local Councillor's update

Hulland Village: Tim Sadler writes about developments elsewhere in this Herald edition. All round, I'm happy we have secured these road safety improvements.

Intake Lane Crossroads: A major road safety improvement for this has taken far too long to start. To be fair there were some valid reasons for delays but these are wearing a little thin now. I have been told all the money is now in place and am assured the work will start very soon.

Wheeldon Way: I have visited residents close to the development. The cones on the site access have helped stop inappropriate parking. However, issues go beyond this entrance - damage to the highway, kerbs and verges - now reported to DCC Highways. I'm not sure how this will be dealt with but I will let you know once I receive a response.

The Knockerdown Inn: The Planning Application to increase parking was only a ruse, in my opinion, to facilitate a larger car enthusiasts' weekend venue. Such a site by the busy B5035 is not the right location especially with the road's poor accident profile. At the planning meeting a gentleman living near a similar venue run by the same company in Warwickshire shared his and others experiences at weekends. Apparently, it's an appalling experience with long convoys of cars racing the country lanes and other anti-social behaviours. I thank everyone who supported the successful campaign to reject the Application.

Angelique Foster, Police & Crime Commission:

Angelique visited Hulland Ward to discuss speeding issues experienced despite very effective speed signs each end of the Village. The monthly statistics I receive from Karl Dean make sobering reading. Too many drivers show little regard for the limits. We need cameras that take offenders' details which could then lead to fines and points. It is not going to be easy to progress this but we will not give up. Angelique offered advice and support on what we are trying to do. Thanks to Karl and the other volunteers who work to raise awareness of the speeding issues. In the next month or so we hope to raise a survey/petition on road safety issues in the Village and use this to push the local authorities to support our wishes for better enforcement of speed limits.

Pot Holes: I don't know what you call multiple pot holes, a plague might be a good description! I see pot holes where I haven't seen them before. Heavy rainfall in recent months has caused far more than experienced for many years. Can you please report potholes on the DCC website? I do this when I see them but I don't see them all. I do know teams are out in Derbyshire making repairs. Extra money is being spent on the problem but it will take time before we top the backlog. I plan to walk the whole area over the coming weeks to record all the issues but don't let me put you off making a report to DCC. The quicker potholes are reported the sooner they are repaired. I thank you for your patience.

We enjoyed Christmas in School with our Nativity – “Baa, Baa Bethlehem”, a disco for the whole School, Christmas Jumper Day, a Carol Service with Reverend Phil and a visit to Derby Arena to watch “Mother Goose”!

Thank you to Preston’s Garage who very generously donated the beautiful Christmas tree and lights.

Happy Christmas 2023

The Wider Curriculum

We have enjoyed music this Term listening to music from Prokofiev, Saint-Saens and Grieg. Here we are with the Derby City & Derbyshire Music Partnership enjoying whole class clarinet lessons & learning to play the ukele.

As we move into 2024, I am grateful for the privilege of representing the wonderful communities of Biggin, Hulland Ward, and Hulland Village as the MP for Derbyshire Dales. I am committed to serving your communities to the best of my ability, whether it be safeguarding our few remaining local banks, addressing flood risks and potholes, or supporting our Farmers.

I have also been listening and taking action on your casework, including calls from Hulland and Biggin constituents for the banning of live export of animals for slaughter. I took action on those important issues by supporting the Animal Welfare (Live Exports) Bill. I am delighted to say that the Bill will become Law very soon.

Your Local MP's Update

I am leading a pro-active campaign to protect our local banks, including crucial services in Ashbourne. Access to essential services should remain convenient for residents, and my petition opposing the closure of Bakewell NatWest has garnered over 2,500 signatures, reflecting the shared concern across the Dales.

My support for our local Hulland and Biggin farmers continues. I have been engaging with the NFU and conducting farm visits. I am actively conveying their concerns to DEFRA ministers. I have also been busy in the Commons supporting the Dogs (Protection of Livestock) (Amendment) Bill, which will empower police to crack down on livestock attacks, offering a significant deterrence boost. Dales farmers must receive the attention and support they deserve.

Addressing the pressing issue of flooding in the Dales remains a priority for me. Whether it be bringing the Flooding Minister to our region to assist in bolstering defences, or collaborating with local councillors, I am committed to tackling flood risk effectively. I am also pressing the County Council for expedited repairs to our roads, especially highways damaged by flooding. I will continue to work with all Derbyshire County Councillors, including Cllr Dermot Murphy, to improve our local roads.

I look forward to my next visit to Hulland. Engaging with Farmers, interacting with the Hulland CofE School, hosting surgeries and the over 50s job fair, have been such enriching experiences since I was elected as your MP. I also look forward to engaging with our local Councillors on how I can best deliver as your MP. I eagerly look forward to returning in 2024.

To the Hulland and Biggin communities, I also extend an invitation to the House of Commons, where I or my team would be delighted to give you a warm welcome. Welcoming Constituents earlier in 2023 was such a highlight, and I am excited to host more residents in the New Year. Feel free to get in touch via email at sarah.dines.mp@parliament.uk or call 020 7219 6660.

Wishing everyone in Hulland and Biggin a healthy and prosperous 2024 .

Hulland Ward Gardening Club

Our year began with the ever-popular New Year Buffet and Quiz. This is an opportunity for Members to enjoy a social evening and get-together as the photograph illustrates (*opposite*). Overall winners this year were:- The Cauliflowers!

In February we shall welcome the long-awaited return visit of Dr. Andrew Ward. Well-known in the UK and beyond for his cultural expertise growing herbaceous and alpine plants. His talk will be telling us how to ring the changes with bell flowers (bluebells, campanulas, etc) and he will be bringing plants for sale.

Hostas will just be peeping through by the end of March when Robert Barlow from North Staffordshire Hostas will have slides to show and plants to buy of new, and the more unusual, cultivars of this much under-rated plant.

In April we shall sit back to listen to Jeff Bates tell us about Great English Gardens with his glorious slides tempting us to visit as the better weather approaches.

May is the month for our Hands-On session and the Big Plant Swap before we begin our summer months of garden visits.

This Group of enthusiastic albeit novice gardeners meets on the third Thursday of the month at 7.30pm in Hognaston Village Hall. Coffee/tea is served from 7.00pm onwards.

A charge of £5.00 is made at each visit to pay for the speaker, light refreshment and hire of venue.

New members will always be made welcome.

Slowing Traffic Down on Hulland Hill

After at least 40 years pressurising Derbyshire County Council's Highway Department we now have good news. Large multiple signs have been installed on Hulland Hill in both directions above and below the area which includes the Bus Stop and the turn into Hulland Village. These signs are designed to slow the traffic down considerably to make the area safer for all users. However, there are still three actions required to complete the safety work. First, large 'SLOW' signs will be painted on the road in the appropriate place above and below the road junction. Secondly, there is still a need for an Advanced Junction Sign next to the New Hulland Village sign 130 metres above the Junction. These have been promised sooner or later. When? We will see. Meanwhile, once the job is complete we will determine whether the new arrangements have done enough to make the area as safe as we can reasonably expect. However, anything that makes the traffic slow down must be to our advantage... **Tim Sadler**

Fantastic Christmas Party at The Nags Head

The Monday Club Members of Hulland Village have invited their Partners to a Special Christmas Party each year for some years now. Last Christmas it was decided to go to The Nags Head because the Monday Club meet there every week, to see what sort of meal and atmosphere they could put on just before Christmas. Well, everyone agreed that the result was fantastic. The staff put on a wonderful show with good food, crackers and created a real party atmosphere for a record 34 of us. The Pub gave us an option of a one, two or three course meal, all of which were very reasonably priced. You will see a photograph (*below*) of us all (minus the Photographer!). The picture is taken in their main Restaurant which was just perfect for the number attending. In addition, for those that know me, you may see that I am thanking everyone for coming, etc. However, please don't be impressed with the clapping as I had the distinct impression that it was more from the relief that I was about to sit down rather than anything else!!

INSPIRING WOMEN

1915 FOR 108 YEARS 2023

Hulland & District Women's Institute

Happy New Year to you all.

We welcomed John Wilson to our November meeting where he gave an excellent talk on Children's Rescue from Domestic Violence and BuddyBags. Each child is given a Buddy Bag when they are taken to a safe house. You could have heard a pin drop during his talk.

Our December meeting was our Christmas celebration with a meal held at The Black Horse. It was very well attended with everyone having a good time. A cheque was given to a representative of CareLine in Ashbourne our chosen charity for 2023.

We meet in The Millennium Village Hall on the 2nd Wednesday of the month at 7:30 pm. Why not come along and see what we do, and make some friends it's not all "Jam and Jerusalem".

We have a good program for 2024 and I promise you will not be left to sit on your own.

Future Meetings :

14th February: Jill "A Life in Nursing"
13th March: Annual Meeting
10th April: Workshop, Kathryn Johnson - Spring Wreath

Hulland Community Pre-School

Est. 1972

Happy New Year from everyone at Hulland Pre-school.

We had a fantastic few weeks leading up to Christmas. Our children acted out the Nativity story for their families. They did so well, and we were so proud of them all.

There was a lot of craft materials used to create some fantastic craft items for the children to take home.

Finally, we finished with a party and a visit from a very special gentleman in red.

Sadly, we have had to say goodbye to a long serving member of our Team, and we wish her well in her retirement.

In 2024, we will be looking forward to welcoming a new experienced member of the team to Pre-school.

Best wishes
